WINEMAKERS SINCE 1875

2022 Tempranillo

Bright, well-balanced & versatile

Cherries & dark plums with a refreshing finish.

750ml | 13.5% alc/vol

Our estate-grown Tempranillo is a complex wine with aromas of rose petal, dark cherry juice and cranberry.

The palate is a balanced palate profile with soft flavours of cherries and dark plums with a backbone of light tannins that extend through to a long and refreshing finish. Lightly oaked to compliment the fruit flavours.

Drink young and fresh.

Food pairing: The 2022 Tempranillo is a great go-to wine that will suit many occasions and food styles, particularly grilled meats and tomato bases dishes.
