

# The DSW story

At Dewey Station Wines we are all about good humour, good times & serious wines! Started by winemaker Stefan & his wife Ellie in 2016, this company is all about family, friends and amazing shared experiences. Amazing shared experiences that go hand in hand with amazing wine... & thats where we come in! Whether you are just venturing into the world of wine, or are an absolute fanatic, we are sure to have something to brighten your day!

## Moonglow Rose

The Moonglow Rose is uncomplicated. The beautiful salmon pink is reminiscent of the perfect nights sky. The wine.... full flavoured, aromatic and just damn right pretty! An aromatic delight.

## The Shaky Train Series

The Shaky Train Series is named such after the British cartoonist (and Ellie's Uncle) 'Shaky Kane'. Rich in flavour and bright in colour, this range is all about bright fruit characters & showcasing regionality/purity of fruit while having fun doing it. This range consists of our Venus Express GSM, Off the Beaten Track Graciano & Mars Express.

## The Anne-Inspired Shiraz

This one is close to our hearts! The day this fruit arrived in the winery in 2017 was the day that Stefs beloved Nan passed away. This wine was created in her memory. Combined with the thumb print of her loving husband Ray, this is the perfect way to honour thier 76 years of marriage.
