

PROVIDENCE ROAD

Shiraz 2020

Frankland River Western Australia

COLOUR

Vibrant deep purple.

NOSE

Lifted violet perfume with blue fruits, white pepper and Asian spice.

PALATE

Concentrated and silky palate showing red and black fruits, jube with hints of aniseed and peppercorn. Subtle tannin and balanced acidity lead to a long even finish.

WINEMAKING

Combination of picks from estate and other northern Frankland sites fermented separately. Destemmed whilst retaining as much whole berry as possible. Cold soaked, plunged and pumped over through the peak of fermentation. Pressed to barrique and hogshead for 9 months maturation before barrel selection, fining and bottling early February.

FOOD PAIRING

Slow roast lamb shoulder with North African spice rub.

VINTAGE NOTES

A dry growing season throughout the Great Southern resulted in significantly lower yields across all varieties. The warm conditions and continued low rainfall thru the ripening period created very low disease pressure. The result was one of the earliest vintages on record which produced small bunches of high-quality fruit with concentrated flavours and intensity.
