

# PINOT GRIS

---

The Pinot Gris is a balanced, delicate, and subtly tropical wine that delights the senses. Its refreshing acidity and light-bodied nature make it a moreish choice, enticing you to take another sip.

This wine is perfect for sharing with friends and family, and its versatility ensures it will be enjoyed in various social settings. This wine is delightful when young and fresh, it can also develop interesting characteristics with short-term aging, typically up to 2-3 years, enhancing its complexity and texture.

## ABOUT THE GRAPES

The grapes for this Pinot Gris are sourced from grape growers in the Adelaide Hills region. The Hills is renowned for its cooler climate, which contributes to the wine's exceptional aromatics and overall quality. The cooler climate helps develop delicate and nuanced aromas and flavours in the wine.

## TASTING NOTES

### Nose

Delicate aromas and flavors are prominent, showcasing notes of citrus, pear, apple, and white flowers. These aromas give the wine a subtle and inviting character.

### Palate

The wine exhibits a mineral undertone, adding complexity and depth to its overall profile. The palate is well-balanced with a harmonious interplay of acidity and fruit flavors. It presents a drier and crisp style, with delightful hints of melon and pear on the tongue.

### Food Pairing

This Pinot Gris is a versatile wine that complements a wide range of dishes. It is well-liked by most wine enthusiasts due to its unoffensive and appealing nature. Pair it with seafood, poultry, salads, creamy sauces, and lightly spiced dishes.
