

2021 ON POINT PINOT GRIGIO

Our Pinot Grigio is named in honour of our two granddaughters; Bronte and Charli, in acknowledgement of their passion for and excellence in ballet and dancing.

It's a play on the French ballet term en-pointe; to stand on one's toes in full extension -no easy feat- yet something both girls do with grace and elegance.

TASTING NOTE

subtle tropical notes, rich texture, soft acidity and clean finish all form vital elements of our Eden Valley Pinot Grigio style.

Purity of our Pinot Grigio is best expressed when we move our precious fruit swiftly from vineyard, to fermentation, to bottle - ensuring we capture bunch-fresh aromas and flavours for you.

Deliciously mouth-filling as ever.
