WINE TASTING

COPENHAGEN
23 OCTOBER 2023

Welcome to our Australian and New Zealand Wine Tasting.

We're delighted to be back in Copenhagen running trade and consumer tastings. This is the first time that Wine Australia and New Zealand Winegrowers have teamed up in the Nordics, and the first time that we've run tastings in Denmark since before the pandemic.

The Aussies and Kiwis are good mates, with lots in common. Fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

At today's tasting, we're showcasing more than 500 wines from 120 producers, ranging from international superstars to small boutique newbies. Explore wines from 43 regions across Australia and New Zealand, and try 32 different grape varieties.

We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers.

Discover 270 exciting new wines from wineries looking for distribution in Denmark.

If we can help to answer questions, educate or inspire you, please don't hesitate to ask one of the Wine Australia or New Zealand Winegrowers team or drop us a line on europe@wineaustralia.com or sarahs@nzwine.com.

Don't forget to share your discoveries with us and your fellow tasters. You can join the online conversation with the hashtags [#aussiewine](#) [#nzwine](#).

We hope you enjoy the tasting and look forward to hearing your feedback.

Our primary aim is to retain as much flavour from the grapes as possible. You should be able to taste the site, region and unique varietal characteristics in every bottle. Since going out on our own in 2012 we've been fortunate enough to earn praise from some of the world's most influential wine critics and score a few trophies along the way.

Life partners Adam Louder and Nancy Panter proudly introduce small-batch SubRosa wine from selected fruit grown in the cool Victorian Grampians and Pyrenees ranges. Adam's winemaking experience working 39 vintages in 25 years in Bordeaux, Napa Valley and Australia, leads to complex individual wines. Their motto, what happens at the table, stays at the table, is about friends sharing their lives over wine and food. Elevation, excellent sunlight and cool nights result in Shiraz, Viognier and Nebbiolo that are "...intense and focused, taut and precise on the tongue... real concentration and focus, drive and elegance." Like their namesake, Ant Moore Wines are free spirited. As a winemaker, Ant is an experimenter, a creative oenologist who sees – and does – things differently. From the introduction of wild ferments to the elimination of fining and barrel aging his Sav, there is care and consideration in every Ant Moore Wine that is usually reserved for wines well above their price point. Since 2006, Ant has been developing bare land into vineyards, producing a number of successful small-batch wine brands from his winery. Each of the a+ premium small-batch wines is created in Marlborough and blended to Ant’s personal taste with an emphasis on the bright, vibrant notes of the estate grown fruit. Ant has a holistic growing philosophy and uses regenerative agriculture practices that see sheep grazing the vineyards to reduce any chemical inputs; a minimal sulphur approach and age-old pruning and canopy management techniques that are gentler on the land. Ant Moore wines are the complete package, creative, quality, value and sustainable.

The first wine under the name Villa Maria in 1962 was made with grapes harvested from this block. Welcome to Corryton Burge, a family winery rooted in the history of Barossa Valley, Australia. Our legacy stretches back six generations to the early settlers of the region, John and Eliza Burge, who arrived from England in 1855. Since then, our family has dedicated itself to crafting exceptional wines that have become synonymous with excellence in the Australian wine industry. Our journey began with the production of fortified wines, sold door-to-door with a hawker's license.

Over time, we have grown and nurtured vineyards across South Australia, cultivating over 300 hectares of land to create some of Barossa's most prestigious and celebrated premium wines. Each generation has lovingly passed down the heart and soul of our craft, and today, Trent and Amelia Burge carry forward this tradition with a passion for winemaking that spans over 150 years.
