## **WEAPONS (SRA)**

## TOOLS OF TRADE REGISTER

As per the Aviation Transport Security Regulations, Division 4.2 - Weapons

An Aviation Industry Participant (AIP) is authorised to have a Weapon (other than a firearm) in their possession in the Security Restricted Area (SRA) <u>ONLY</u> if the Weapon is a Tool of Trade and the AIP takes reasonable precautions to ensure that the Tool of Trade (Weapon) remains under its control.

This checklist needs to be completed <u>ONLY</u> if you possess a Tool of Trade that utilises either explosive powder or flammable gas as the propellent or fuel source (e.g Ramset Gun, Blow Torch)

Present this completed list along with your ASIC/VIC and your tools when you attend the security screening point.
